Two performances with an overwhelming reception from the Women's Christian College had over 2,400 teachers and students in attendance.

The ministry in India seems to deepen each time we go. This was *Light of the World Ballet's* (LWB) eleventh mission trip and our 3rd trip to India. And for the 3rd time we were invited by a most dynamic, ambitious couple in the Lord, Ps. Phaniel and Presanna Robinson of India.

Presanna is founder and director of KIDS Learning Centre – a school/ministry to children with dyslexia. Ps. Phaniel, a former university professor, two years ago accepted a pastorate of a church plant in Chennai.

LWB ministry took place in and around India's second largest city, Chennai, located on the south-east coast of the Bay of Bengal. The purpose of the Robinson's invitation to us was to help them in furthering their connections and build bridges to grow their ministries.

The LWB Company dancers presented the story-ballet "*Ana's Battle*" narrated in English and Tamil. This ballet exposes the lies we believe about ourselves and exemplifies how we need to remember the Truth of who we really are to conquer these lies. It was extremely well received.

We performed and ministered to over 9,000 students and adults in two large Christian schools, one Hindu school of 2,100, a college, smaller disability centers and orphanages. We also ministered in a leper colony. Ministry venues were both large and small, and were highly attended by Hindus.

Mission leader, Ps. Dave, was able to give a message and present salvation at almost all of the performances. We saw many raise their hands to accept Christ! Ps. Dave preached at the new church plant, and along with wife, Pat, did a short parenting seminar as LWB worked with and ministered to the youth of the church and KIDS school.

One of the most moving of our experiences was a visit to a leper colony just outside of Chennai (photos below). There the dancers did "Healing is in His Hands". Ps. Dave preached and several raised their hands to receive Christ! Also, the dancers distributed large bags of rice.

A word of encouragement, prayer & giving of rice at leper colony in Ponnera.

Thank you for your faithful prayers for the safety and effectiveness of this trip. It was an overwhelming success in the Lord with lives touched. The Robinsons reported many doors of further ministry have been opened to them because of LWB's visit. And we are humbly grateful to God for the salvations that occurred.

In the Light of Jesus,

*Dave and Pat Rollinson, Mission Leaders
Ashley Rollinson, Performance Director*
