The School Vision & Curriculum

Light of the World Ballet's professional staff is dedicated to providing quality training in a wholesome atmosphere. Through class, performance, and character development based on biblical principles, the student builds self-discipline, and confidence while maturing in their God-given talents. Each student is challenged to give their best, enabling them to become a skilled dancer with strong character. Light of the World Ballet consists of a School, Trainee Program (for high-school graduates), and a Professional Christian Ballet Company who performs nationally & internationally (China, India, Sri Lanka, Philippines, Kazakhstan, Peru, Israel, & Burma).

*Enrollment in LIGHT OF THE WORLD BALLET qualifies participants to be a part of the **Christmas Celebration/Friday, December 9 and 12th Annual Spring Performance**. Students are given a broad, in-depth training experience which also gives a female student the opportunity to develop the necessary strength for eventual dancing on pointe. Students may audition by invitation for Light of the World Youth Ballet (LWYB) to gain more performance and outreach experience. At Christmas and in the Spring there is a special time set-aside for LWYB to do performance outreach to the local Syracuse*
